WHEREAS, pursuant to Section 24-72-203(1)(a), C.R.S., the Official Custodian may make such rules with reference to the inspection of public records as are reasonably necessary for the protection of such records and the prevention of unnecessary interference with the regular discharge of the duties of the Custodian and the Custodian’s office; and

WHEREAS, the Official Custodian finds it is necessary and in the best interests of the District to adopt certain rules with reference to the inspection of its public records.

NOW, THEREFORE, THE OFFICIAL CUSTODIAN MAKES AND ADOPTS THE FOLLOWING RULES WITH REFERENCE TO THE INSPECTION OF THE COLORADO SCIENCE AND TECHNOLOGY PARK METROPOLITAN DISTRICT NO. 1’S PUBLIC RECORDS:

1. Inspection of Public Records. All “Public Records” of the District, as such term is defined in Section 24-72-202(6), C.R.S., shall be available for public inspection by any person at reasonable times as provided in CORA, except as otherwise provided in CORA or as otherwise provided by law. Upon the receipt of a written request to inspect Public Records, the Custodian or his or her designee shall set a date and hour at which time the requested Public Records will be available for inspection, which date and hour of inspection shall be between the hours of 8:00 A.M. and 5:00

P.M., Mountain Standard Time, three (3) working days or less from the date such Public Records were requested for inspection unless extenuating circumstances exist as provided in Section 24-72-203(3)(b), C.R.S. The day the request is received, weekends, and legally recognized holidays shall not count as a working day for the purposes of computing the date set for inspection of Public Records. A modification to a request for Public Records is considered a new request.

2. Notification for Inspecting Public Records Not Under Control of the Custodian. If the Public Records requested are not in the custody or control of the Custodian or the Official Custodian, the Custodian or his or her designee shall notify the person requesting to inspect such records that said records are not in the custody or control of the Official Custodian or the Custodian. The notification shall state in detail to the best of the Custodian's knowledge and belief, the reason for the absence of the records, the location of the records, and what person has custody or controls the records.
3. Notification for Inspecting Public Records in Use or Otherwise Unavailable. If the Public Records requested are in active use, in storage, or otherwise not readily available at the time requested, the Custodian or his or her designee shall notify the person requesting to inspect the Public Records of the status of the Public Records. Such notification shall be made in writing if desired by the person requesting to inspect the Public Records.
4. Copies of Public Records. Within the period specified in Section 24-72-203(3), C.R.S., the Custodian or his or her designee shall notify the person requesting a copy of the Public Records that a copy of the Public Records is available but will only be sent to the requester once the Custodian either receives payment or makes arrangements for receiving payment for all costs associated with records transmission and for all other fees lawfully allowed, regardless of whether provided for herein, unless recovery of all or any portion of such costs or fees has been waived by the Custodian. Upon receipt of such payment, the Custodian or his or her designee shall send a copy of the Public Records to the requester as soon as practicable but no more than three (3) business days after receipt of, or making arrangements to receive, such payment.
5. Fees for Copies of Public Records. The Custodian or his or her designee shall furnish, for a fee as set forth herein, a copy, printout, or photograph of the District's Public Records requested. The fee shall be twenty-five cents (\$0.25) per standard page, or such other maximum amount as authorized by Section 24-72-205(5), C.R.S., for a copy, printout, or photograph of the Public Record except as follows:
 - a. When the format is other than a standard page, the fee shall not exceed the actual cost of providing the copy, printout, or photograph;
 - b. If other facilities are necessary to make a copy of the Public Records, the cost of providing the copy at the other facilities shall be paid by the person requesting the copy;

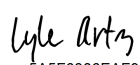

- c. If the Public Records are a result of computer output other than word processing, the fee for a copy, printout, or photograph thereof may be based on recovery of the actual incremental costs of providing the electronic services and products together with a reasonable portion of the costs associated with building and maintaining the information system;
 - d. If, in response to a specific request, the District has performed a manipulation of data so as to generate a record in a form not used by the District, a reasonable fee may be charged to the person making the request, which fee shall not exceed the actual costs of manipulating the data and generating the record in accordance with the request; and
 - e. Where the fee for a certified copy or other copy, printout, or photograph of a Public Record is specifically prescribed by law, that specific fee shall apply in lieu of the fee(s) set forth herein.
6. Transmission Fees. In addition to the fees set forth above, where the person requesting the Public Record requests the transmission of a certified copy or other copy, printout, or photograph of a Public Record by United States mail or other non-electronic delivery service, the Custodian or his or her designee may charge the costs associated with such transmission, except that no transmission fees may be charged to the records requester for transmitting a Public Record via electronic mail.
7. Research and Retrieval Fees. In addition to the fees set forth above, in accordance with Section 24-72-205(6), C.R.S., the Official Custodian, Custodian, or his or her designee may charge a research and retrieval fee of \$33.58 per hour, or such other maximum hourly fee as may be adjusted from time to time pursuant to Section 24-72-205(6)(b), C.R.S., for time spent by the District's directors, employees, agents, and consultants researching, retrieving, gathering, collecting, compiling, preparing, redacting, manipulating, and/or otherwise producing records in order to respond to a request for Public Records. Provided, however, that such research and retrieval fee may not be imposed for the first hour of time expended in connection with such research and retrieval activities related to a request for Public Records, but may be imposed for each subsequent hour.
8. Payment of Fees. All fees associated with production of the District's Public Records requested by the person inspecting said Public Records, as set forth in Paragraphs 4 through 7 above, shall be received by the District before the delivery or inspection of said Public Records.
9. In Force Until Amended or Repealed. These rules of the Official Custodian shall remain in full force and effect unless and until such time as they are amended or repealed by the Official Custodian regardless of any change in either the individual serving as, or the designation of, the Official Custodian of the District.
10. Repealer. These rules of the Official Custodian shall supersede all previous versions of

rules, regulations, practices and policies of the District related to inspection of Public Records.

**COLORADO SCIENCE AND TECHNOLOGY PARK METROPOLITAN DISTRICT NO. 1
2023 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

Colorado Science and Technology Park Metropolitan District No. 1 (District), a quasi- municipal corporation and political subdivision of the State of Colorado, was organized by order and decree of the District Court for the County of Adams on November 16, 2007, concurrently with two other districts, Colorado Science and Technology Park Metropolitan Districts No. 2 and 3, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District operates under a Service Plan approved by the City of Aurora (City) on July 16, 2007. The District's service area is located in the City of Aurora in Adams County, Colorado. The District was established to provide construction and installation of public improvements, including water, sanitary sewer, streets, parks and recreation, transportation, traffic and safety, mosquito control, television relay and translation, security and, upon an intergovernmental agreement with the City, fire protection.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August, and generally, sale of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary Information page of the budget document using the adopted mill levy imposed by the District.

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 7% of the property taxes collected on the gross assessed values.

**COLORADO SCIENCE AND TECHNOLOGY PARK METROPOLITAN DISTRICT NO. 1
2023 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Revenues – (continued)

Incremental Property Taxes

The District receives incremental property tax revenue from the Aurora Urban Renewal Authority (AURA). Incremental property tax revenues are considered to be the excess of an amount equal to the ad valorem property taxes produced by the levy at rates fixed for such year by or for the governing bodies of the various taxing jurisdictions within or overlapping the project area upon a valuation for assessment equal to the property tax base amount. The property tax base amount is certified by the County Assessor as the valuation for assessment of all taxable property within the project area last certified by the County Assessor prior to the adoption of the urban renewal plan.

Incremental Sales and Use Taxes

The District receives incremental sales and use tax revenue from the project area which is received by AURA from the City's general sales tax of 3.75% in excess of the sales tax base. 85% of the incremental sales and use tax for each 12-month period following the base year is credited to the District's account excluding a 0.25% dedicated tax.

Developer Advance

The Districts are in the development stage. As such, a portion of the administrative and operating expenditures are to be funded by the Developer. Developer advances are recorded as revenue for budget purposes with an obligation for future repayment when the Districts are financially able to reimburse the Developer from bond proceeds and other legally available revenue.

Transfers from Colorado Science and Technology Park Metropolitan District Nos. 2 and 3

On December 28, 2018, the District entered into the Capital Pledge Agreement with Colorado Science and Technology Park Metropolitan District No. 2 (District No. 2). Pursuant to this Agreement, District 2 agreed to impose a debt mill levy and pledged the tax revenues generated from such debt mill levy, including (i) specific ownership taxes attributable to such debt mill levy and (ii) increment property taxes, for the repayment of bonds issued by the District in 2018. The proceeds of bonds issued by the District was used for construction and acquisition of public improvements within District No. 2.

On July 31, 2019, the District entered into a Capital Pledge Agreement with Colorado Science and Technology Park Metropolitan District No. 3 (District No. 3). Pursuant to this Agreement, District No. 3 agreed to impose a debt mill levy and to pledge property tax revenues to pay the Subordinate Loan.

Interest Income

Interest earned on the District's available funds has been estimated on an average interest rate of approximately 3.00%.
