NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE COLORADO SCIENCE AND TECHNOLOGY PARK METROPOLITAN DISTRICT NO. 2, CITY OF AURORA, ADAMS COUNTY, COLORADO:

Section 1. Summary of 2025 Revenues and 2025 Expenditures. That the estimated revenues and expenditures for each fund for fiscal year 2025, as more specifically set forth in the budget attached hereto as Exhibit B and incorporated herein by this reference, are accepted and approved.

Section 2. Adoption of Budget. That the budget as submitted, and if amended, then as amended, and attached hereto as Exhibit B is approved and adopted as the budget of the District for fiscal year 2025. The District's accountant has made a good faith effort and used the best information available at the time of preparation of the budget to provide the District with alternative scenarios, if applicable, showing a proposed budget and mill levies for fiscal year 2025. Due to the significant possibility that the final assessed valuation provided by the Adams County Assessor's Office differs from the preliminary assessed valuation used in the proposed budget, the District's accountant is hereby directed to modify and/or adjust the budget and mill levy certification as needed to reflect the final assessed valuation, and/or any applicable revenue caps or limitations, including making any appropriate temporary property tax credit or temporary mill levy reduction, without the need for additional Board authorization.

Section 3. Appropriations. That the amounts set forth as expenditures and balances remaining, as specifically allocated in the budget attached, are hereby appropriated from the revenue of each fund, to each fund, for the purposes stated and no other.

Section 4. Budget Certification. That the budget shall be certified by Kenneth Diamond, Secretary/Treasurer of the District, and made a part of the public records of the District and a certified copy of the approved and adopted budget shall be filed with the Division of Local Government.

Section 5. 2025 Levy of General Property Taxes. That the attached budget indicates that the amount of money from general property taxes necessary to balance the budget for the General Fund for operating expenses is \$10,875 and that the 2024 valuation for assessment, as certified by the Adams County Assessor, is \$435,001. That for the purposes of meeting all general operating expenses of the District during the 2025 budget year, there is hereby levied a tax of

25.000 mills upon each dollar of the total valuation of assessment of all taxable property within the District for the year 2025.

Section 6. 2025 Levy of Contractual ARI Mill Levy Expenses. That the attached budget indicates that the amount of money from general property taxes necessary to balance the budget for contractual expenses related to the District's ARI Mill Levy is \$483 and that the 2024 valuation for assessment, as certified by the Adams County Assessor, is \$435,001. That for the purposes of meeting all contractual ARI Mill Levy expenses of the District during the 2025 budget year, there is hereby levied a tax of 1.111 mills upon each dollar of the total valuation of assessment of all taxable property within the District for the year 2025.

Section 7. 2025 Levy of Debt Retirement Expenses. That the attached budget indicates that the amount of money from general property taxes necessary to balance the budget for the Debt Service Fund for debt retirement expense is \$24,182 and that the 2024 valuation for assessment, as certified by the Adams County Assessor, is \$435,001. That for the purposes of meeting all debt retirement expenses of the District during the 2025 budget year, there is hereby levied a tax of 55.591 mills upon each dollar of the total valuation of assessment of all taxable property within the District for the year 2025.

Section 8. 2025 Mill Levy Adjustment. The Board may adjust the mill levy, as specifically set forth in the District's Service Plan (the "Adjusted Mill Levy"). The Board hereby determines in good faith to establish the Adjusted Mill Levy as set forth in the mill levy certification attached hereto as Exhibit C pursuant to the authority granted by its Service Plan to ensure that the District's revenues shall be neither diminished nor enhanced as a result of the changes effecting the mill levy. Subject to adjustment and finalization by the District's accountant in accordance with Section 2 hereof, the Board further authorizes that the Adjusted Mill Levy be reflected in the District's Certification of Tax Levies to be submitted to the Board of County Commissioners of Adams County on or before December 15, 2024 (or such other date as may be prescribed by law), for collection in 2025.

Section 9. Certification to County Commissioners. That the Board Secretary and/or District's accountant are hereby authorized and directed to immediately certify to the Board of County Commissioners of Adams County, the mill levy for the District hereinabove determined and set and provide such information as required by Section 39-1-125, C.R.S. That said certification shall be in substantially the following form attached hereto as Exhibit C and incorporated herein by this reference.

**COLORADO SCIENCE AND TECHNOLOGY PARK METROPOLITAN DISTRICT NO. 2  
2025 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Services Provided**

Colorado Science and Technology Park Metropolitan District No. 2 (District), a quasi- municipal corporation and political subdivision of the State of Colorado, was organized by order and decree of the District Court for the County of Adams on November 20, 2007, concurrently with two other districts, Colorado Science and Technology Park Metropolitan Districts No. 1 and 3, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District operates under a Service Plan approved by the City of Aurora on July 16, 2007. The District's service area is located in the City of Aurora in Adams County, Colorado. The District was established to provide financing for the construction and installation of public improvements, including water, sanitary sewer, streets, parks and recreation, transportation, traffic and safety, mosquito control, television relay and translation, security and, upon an intergovernmental agreement with the City, fire protection.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results because events and circumstances frequently do not occur as expected, and those differences may be material.

**Revenues**

**Property Taxes**

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August, and generally, sale of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary Information page of the budget document using the adopted mill levy imposed by the District.

**Expenditures**

**Transfers to District No. 1**

On April 1, 2024, the District entered into the Senior Capital Pledge Agreement and the Subordinate Capital Pledge Agreement with Colorado Science and Technology Park Metropolitan District No. 1 (District No. 1). Pursuant to this Agreement, the District agreed to impose a debt mill levy and pledge the tax revenues generated from such debt mill levy, including (i) specific ownership taxes attributable to such debt mill levy and (ii) increment property taxes, for the repayment of refunding bonds issued by District No. 1 in 2024. The proceeds of the refunding bonds issued by District No. 1 was used for construction and acquisition of public improvements within the District.

**County Treasurer’s Fees**

County Treasurer’s collection fees have been computed at 1.5% of property taxes.
